Bamboo

Bamboo

 Taking inspiration from nature, Bamboo has a sculptural grace which balances design with performance. The raised embossed design is influenced by the natural flowing form of bamboo. The range is available in a comprehensive collection of items, enhanced with hand applied colour and now introducing feature pieces in a Raku pooling effect and coloured glass tableware.

 Tomando inspiración en la naturaleza, Bamboo posee una forma escultural que equilibra diseño y rendimiento. El relieve elevado está influenciado por la forma fluida y natural del bambú. La gama está disponible en una amplia colección que ha sido realizada por piezas con un borde de color aplicado a mano, y ahora con la introducción de piezas llamativas en un decorado Raku y vajilla de vidrio.

 Bamboo orientiert sich an der Natur und besitzt eine skulpturale Anmut, die Design und Leistung in Einklang bringt. Das erhöhte Prägedesign wird durch die natürlich fließende Form von Bambus beeinflusst. Die Reihe ist in einer umfassenden Kollektion von Artikeln erhältlich, einschließlich handbemalter Stücke und jetzt auch als Feature mit Raku-Zentraldruck und farbigem Glasgeschirr.

 Traendo ispirazione dalla natura, Bamboo presenta una grazia scultorea che unisce il design alle prestazioni. Il disegno in rilievo è influenzato dalla forma fluida naturale del bambù. La gamme contient une vaste collection d'articles y compris des pièces ayant une couleur appliquée à la main et désormais des pièces en impression Raku est des articles de table en verre teinté sont disponibles.

Modern and delicate for gourmet and casual

 The combination of the embossed design and the introduction of colour makes Bamboo the perfect choice for gourmet presentation or casual dining. Statement items and feature colours within the collection can also create stunning signature dishes whether presented independently or as an eclectic modern mix with other Churchill products.

 La combinación entre diseño contemporáneo, formas innovadoras y un estilo natural permite a Bamboo ser la plataforma para tanto presentaciones gourmet como casual dining. Piezas únicas en colores llamativos crean la oportunidad de presentar una gastronomía maravillosa por sí mismas o como piezas eclécticas que se pueden complementar con otros productos Churchill.

 Die Symbiose von zeitlosem Design, innovativen neuen Formen, coolen und relaxt-natürlichem Style, macht Bamboo zu einer vielseitigen Plattform, passend zu Gourmet Dining, aber auch Casual Dining. Die Serie mit charakteristischem Muster und Farben verspricht Authentizität. Sie kann für sich als Kollektion verwendet werden, lässt sich jedoch auch sehr gut mit anderem Churchill Geschirr zu einem modernen Mix kombinieren.

 La combinazione tra dettagli di design contemporaneo, forme nuove e innovative e uno stile fresco e naturale fa del Bamboo il palco perfetto su cui presentare cibi gourmet e informali. Articoli di carattere e colori peculiari possono creare piatti che si distinguono per la loro spettacolarità sia presentati da soli sia in combinazione con altri prodotti Churchill.
