Introducing the industry's fastest, most flexible, and most durable Pizza/Specialty Scales!

Now you can have the scale you've always needed, the weigh you've always wanted, with plug and play options that put you in control. With the first and only pizza/specialty scales utilizing Bluetooth® connectivity, you can eliminate the cord altogether! Want a simple scale operation? The new Bravo!™ BBPZ-20 gives you the choice of a 10" or 12" platform with just two buttons. Need programmability for different menu items? The Edvantage® EDPZ-20 will do the job. And with the extra-large bright red LED display, you can see the readout across the room! You can even add options later as you need them. Whatever configuration you choose, you'll get the accuracy, speed, and durability you expect from the Edlund brand. The wait is finally over!
