## THE FOOD HALL AT THE PLAZA HOTEL

Our Customers know what they want; they have a vivid picture of the finished project in their mind! Our mission is to guide you through the process from conception to completion. The RPI design and engineering team takes the "concept" and brings it to fruition. Your "reality" makes its way through five major production zones. Our specialized manufacturing technicians guide the product along each step of the journey. Our expertise allows your product to move on seamlessly to our testing facility, to our shipping department and to your location!
